Behaviour Policy Addendum

1st June 2020

Staff reviewed this policy as part of the reopening of the school in June 2020. The policy still stands with these adjustments. This ensure that the policy and practice match. This will be a temporary amendment whilst we remain in a partial re-opening of the school

Amendments

If a child gets to the bottom layer of behaviour system, they will have time out with head teacher for 5 minutes rather than going to a different classroom.
