Headteacher: Mr Peter Smith

Chair of Governors: Lady Hayter

Our new topics started this week- Oak and Ash class launched their topic with a creative day where children worked together to create a collage thinking about all things bright and beautiful in the world. See their lovely creation below! Elm class launched their Roman topic by learning all the myth of Romulus and Remus and created some artwork inspired by this story. Birch class launched their UK topic by completing some orienteering and studying ordnance survey maps.

Yesterday we had a cricket engagement day where Northamptonshire County cricket club came in to deliver some sessions to all classes. Children were really engaged in these sessions and I was impressed with how they worked together.

This week we have been awarded the Foundation level of the British Council's prestigious International School Award in recognition of the work we do to bring the world into the classroom. Thanks to Miss Smith for leading on this and we will be working for our intermediate award next year.

The PTFA are be running a virtual pet show. Entries to be posted on Seesaw and classes will vote for the finalist. We have a panel of judges to pick the winners. Deadline is Monday 7<sup>th</sup> June and the winners will be announced on Friday 18<sup>th</sup> June and will win a special rosette. See next page for more information.

Have a great weekend,

Mr Peter Smith  
(Headteacher)
