Fri-

**Attachments- After
School Club Survey**

**Trainers needed
everyday**

Future Date for your Diary:

Outdoor Clubs Start- 7th
June
7th June- Pet Show entries
in on Seesaw

Happy end of term and I am really glad the sun has decided to come out for us (apart from during my outdoor achievement assembly when we got a little wet!) Today is a year since I took over as headteacher and I can't believe where the time has gone. Let's hope the next year is a more stable one for education.

This week has been a busy one- On Monday Elm class went to the Towcester Roman Museum and the staff there commented on how knowledgeable and polite the children were. On Wednesday I went with Birch to the Black Country Living Museum and explored what life was like in the Victorian times and early 1900s. Our tour guide commented that the children were a credit to the school. Well done all! Next term it will be Oak and Ash's turn at Cotswold Wildlife park.

Many thanks to all the members of the PTFA who worked so hard through rain and wind to provide delicious teas for all the visitors at the open gardens last Sunday. Altogether we raised well over £1000 for various good causes - the school, the church and the National Garden Scheme's cancer charities. The cakes were spectacularly good-Thank you to parents and staff for making those. Well done everyone!

Last week I shared a form for people to sign up for clubs as we move away from paper correspondence. This was also shared with you last night. If you would like your child to attend one of our sports club and haven't signed up, please now email the office to be added to the lists. Children won't need to bring PE kits in to attend these clubs apart from Football club. We hope that we will be able to offer a wider variety of clubs in September.

Thanks to those parents who replied to my survey on School Uniform. It was interesting to get such differing views on this subject. A reminder that children can wear blue or white polo shirts/blouses. We will be updating our policy at the beginning of next term with very few changes being made. I have another survey we would like you to fill in as we try to organise our after-school club provision for September so that it can be financially viable for the future. Thank you in advance.

The first week back we have a jam packed week as we celebrate our postponed STEM (Science, Technology, Engineering) week. Please also note that Birch will start swimming on the first day of term and that the PE days have now swapped- Birch/Elm- Monday and Tuesday; Oak and Ash- Wednesday/Thursday.

Have a lovely half term.

Mr Peter Smith (Headteacher)

IMPORTANT- ALLERGIES-

*We have a no nut
policy in school and
this now includes
sesame seeds and
Nutella.*

*Thank you for your
support*

Bread Bag Recycling Programme

We are taking part in a bread bag recycling programme by Terracycle. Drop off your bread bags in the foyer. By supporting this programme, the bags will be able to be recycled into new products as currently these can't go into the normal recycling bins.

Any branded bags are accepted.

(Above) Our Pupil Parliament who launched this recycling drive. We are half way there to reach our first target. Please donate any bread bags to the front office. Thank you

Birch Class Production Update

Scripts for their play was given out today- 'The Key Master' We are hoping we can perform indoors on Tuesday 13th July but if not we have made a plan B of an outdoor performance.

A reminder over half term to email us if your child is diagnosed with covid-19 as we may need to support in contact tracing. Email either

bursar@newbottle.northants-ecl.gov.uk
or head@newbottle.northants-ecl.gov.uk

This Week's Achievers...

Oak	Teddy	For verbally creating an exciting sentence about a lion's roar- he came up with the word ferocious. A year 1 child loved this word and used it in their own writing.
	Sienna Lily	For being excellent carpet partners. They work well together when they have to discuss their ideas during learning.
	Toby E	For his wonderful independent writing this week. He just has a go and takes his time to sound out each word and checks that he hasn't missed any words.
Ash	Maddie	For explaining her work out using the make 10 strategy clearly to the class.
	Toby	For a fantastic friendly and supportive attitude all week- and being ready to learn.
	Elsie Edie	For becoming a really independent writer and making a fantastic non-chronological report on lions.
	Whole Class	For being amazing on our school trip to the Roman Museum. The behaviour of every child was fantastic. Everyone listened beautifully, asking interesting questions and also showed off their fantastic knowledge- Miss Hirst was very, very proud!
Birch	Rhys	For his enthusiasm, thoughtful questions and considerate contributions on our class trip.
	Emily	For being a responsible and respectful member of the class who is always ready to listen and learn.
	Henry George	For demonstrating great team work, problem solving skills and perseverance in robotics this week.

Headteacher Value Award- Liam

Top 10 Spellers this week!
