TRAINERS NEEDED EVERYDAY

Future Date for your Diary:
Monday 3rd May- Bank Holiday (School Closed)

What an interesting week we have had! You will have received a letter by our Chair of Governors announcing my appointment as permanent Headteacher after the Governors carried out interviews on Monday. Thank you for the messages/emails of congratulations; I am excited to continue leading the school and working with you all.

On Tuesday the PTFA met to discuss some future events which we hope can go ahead. Next Thursday is Bag 2 School. We have plans for a virtual Pet Show and we hopefully will carry out some film nights and a mud run before the end of the academic year. Sadly, the treasurer is stepping down soon and we need to find a replacement to keep the PTFA going. If you would like to take on this role, please see Ann Bowerman (Toby's mum) or Liz Peel-Yates (Edward's mum) to discuss what the position is by next Friday 30th April.

Yesterday the school was closed due to a burst water main in the village. The main road through the village remains closed where the pipe has been fixed. Thank you for your support during this mini crisis. Please do let us know if your contact details have changed so we can update our records to ensure we can communicate any changes that we need to make.

Next week teachers will be phoning you to let you know how your child is getting on at school. You should receive an email today with the time that your child's teacher will phone. Your child will be posting work on their seesaw journal for you to look at on the family app. The link to set up an account to access your child's journal was sent last Friday.

We have had issues with our internet at school and we haven't been able to access it since yesterday morning. We are hoping it will be fixed on Monday, so are unable to access all emails throughout the school day.

Sadly on Monday we will be saying goodbye to Jorja and Kayla H as they are moving out of the area. We wish the family the best of luck on their new journey.

Have a great weekend,
Mr Peter Smith
(Headteacher)

IMPORTANT- ALLERGIES-
