START OF TERM
Thursday 2nd Sept

As I write this, I am recovering from going round the Mini Mud Run with Birch class this afternoon. I didn't realise how unfit I had become over the last year but it was great fun! It was so lovely that we could put on this event and to see the joy on the children's faces. It was also great to see parents join us from a distance. A huge thank you to Ms England and her team of amazing parent helpers for putting it all together. If any sponsorship money could be given in by Thursday 15th July- thank you! We are fundraising for our new Forest School area.

On Wednesday we had our 'Shuffle up' day where the children spent the day in their new classes. It was nice to meet the new Reception starters and their parents and the feedback I received was that it was a really positive day for all.

On Thursday, Year 6 had their trip to Everton as a special end of year treat, which included pizza and games after school. Miss Smith commented on how they behaved amazingly and showed our school values really well. I taught year 5 all day and I really enjoyed being in class, completing some animations and STEM challenges with them.

Next week is our final week of term and I am hoping that the weather will be suitable for all the events we have planned. Birch class did a dress rehearsal for their production this morning and they will be performing it on Tuesday afternoon to the school before performing again for parents and visitors on Tuesday evening at 6:30pm. If children can arrive for 6:10pm to ensure they have time to get changed. Parents please can you enter for the performance after dropping them outside Birch at the back gate round by the trim trail and summer shelter. The audience will be sitting on the field so will need to bring rugs etc to sit on.

Sports day is planned for Wednesday and will be in two separate bubbles. Oak and Ash in the morning and Elm and Birch in the afternoon. See below for timings. If parents can ensure they sit socially distant from different family bubbles, we would be most appreciative.

Next Friday is our last day of term and what a year it has been! Year 6 will be holding a Leavers service and assembly at 2pm on the playground which parents can join us for. I hope you have a lovely weekend! COME ON ENGLAND!!!

Message from Charlton Fete Committee

The Charlton fete is going ahead on July 17th: outdoor events are allowed as long as sensible precautions are in place. It is going to be bigger and better than ever, with all the usual games and stalls: comic dog show, children's sports, the greasy pole, bottle tombola, games of all sorts, Trevor's hawks and of course splendid teas and cakes and plants for sale. Begins at 2 pm and look out for the arrival of your lucky programme in the week leading up to it.

Mr Smith will be putting together a photo montage of the event over the weekend and it will be uploaded to your child's journal on Seesaw. If you have taken photos yourself, please can we request that if you do post it onto social media that you ensure it is just of your child.
Thank you
